

The first program to recognize and actively incorporate the development of **life skills through sport skills**

- **Playball is PROGRESSIVE**

Children progress from an informal introduction to movement and ball skills, to more structured sports participation

- **Playball is EDUCATIONALLY BASED**

Positive coaching methods are used to develop life skills such as independence, self-confidence, courage, discipline, concentration and listening skills, good sportsmanship, responsibility and social interaction

- **Playball is PROFESSIONAL**

A research and development team has refined the program over a period of more than 20 years and are continually upgrading the content of all stages presented

- **Playball is SPECIALISED**

Coaches are trained frequently and use specialized coaching methods as well as specially designed sporting equipment

- **Playball sets HIGH STANDARDS**

Students receive regular progress reports and a certificate at the completion of each stage

- **Playball is RESULT ORIENTATED**

Small groups ensure adequate individual attention and an excellent learning environment

- **Playball is PRIORITY**

Using sport as the means, Playball provides children with an opportunity to develop every aspect of their lives
